PLASTICS PVT. LTD.

An ISO 9001:2008 Company

## POLYPROPYLENE MULTIFILAMENT YARN (PPMFY)

We introduce ourselves as one of the leading manufacturers & exporters of High Tenacity Polypropylene Multifilament Yarn (PPMFY). Established since 1988, BPPL is hailed as a synonym for quality and reliability.

Our yarn is sold under the brand name BONUS, with specifications ranging from 400-2500 Denier. We offer Flat, Air Intermingled (AIM) or Twisted (50-100 TPM) yarn in natural white, black and colour.
